HARD WORK REWARDED

The McDonalds Classic Cycle Team in conjunction with their sponsors McDonalds Family Restaurants Wagga Wagga/Leeton and Kidsons Cycles will be offering two (2) \$1000 scholarships to Riverina Juniors cyclists for the 2010 racing season.

Scholarships will not necessarily be offered to the highest performer but well rounded cyclists with the right attitude. We are looking for cyclists that adhere to the values of sportsmanship, fair play, hard work and honesty. The Team wants to support a junior cyclist that represents the general cycling community, in that, It's important that our young cyclist nurture a better relationship between cyclists and motorists. That can be as simply as wearing an approved helmet and obeying the road rules whenever sharing the road with other users.

It's important that motorist recognize that a cyclist is a person, a son or daughter, a mum or dad, a brother or sister of someone in the community. I would like to take comfort in the fact that another motorist was taking care when negotiating a passing maneuver of my loved one. As a community, we need to recognise there are a small minority both on bikes and in cars that do not represent their clan well. Please do not judge all by the actions of a few.

Any Riverina Junior Cyclist wanting to be considered for one of the two available scholarships should either email: simon_haworth@bigpond.com and or call Simon Haworth on 0404251794.

Scholarship winners will be announced prior to the end of March 2010.
